

# Spotifind

An alternative to Discover  
Weekly.

# Tailor music to your taste.

**Make playlists according to Spotify tracks you like**

Give us the URI of the songs you like. Based on the content of these songs, we'll find as many (or few) tracks across Spotify as you like.

**Once done, add the playlist to your library**

Spotifind makes playlists for you that don't change on a weekly basis.
